BJELLAND VINEYARDS

Roseburg

Blush of Cabernet

Our newest wine. 100% cabernet, pressed immediately after picking. A light, smooth wine, lower in alcohol and tannic acid. We have introduced our new label with this fresh tasting wine.

Semillon

A white grape from the Sauterne family. Great with Dungeness crab, fowl, and fish. This unique wine, with its earthy flavors, is our favorite white wine.

Raspberry

A gold medal winner in 1983. The bouquet is quite astounding reminiscent of fresh-picked raspberries but don't let it deceive you. It's actually semi-dry. A great sipping wine.

Wild Blackberry

This wine is made from wild Oregon Himalayan berries. It won the Governor's Trophy in 1981 and we're still making it the same way: full-bodied and semi-dry.

CHATEAU BENOIT WINERY Carlton

1984 Oregon Sauvignon Blanc

A dry, full-flavored wine, complex with fruit and light oakiness. The aroma shows restrained varietal grassiness. This is an especially good wine to serve with seafood and light pasta dishes.

1983 Oregon White Riesling

A very flavorful wine, with a distinctive acidity characteristic of grapes grown in cooler regions. This wine is dry, yet balanced with just a bit of residual sugar. A good match with fish, chicken and the lighter presentations of today's nouvelle cuisine.

1982 Oregon Pinot Noir

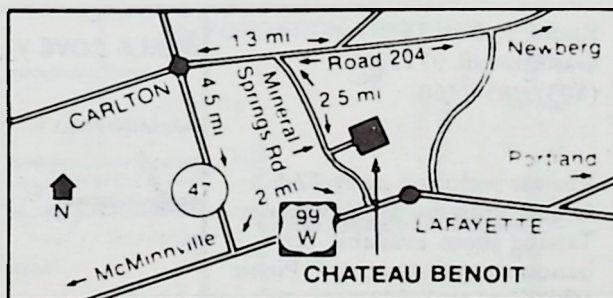

A medium-bodied, full-flavored wine with a lingering finish and a very complex, developed bouquet of oak, spices, fruit and leather. Well developed for current drinking, yet should age well for several more years. To be served at room temperature with meat, game, poultry dishes or cheeses.

FORGERON VINEYARD

1981 Pinot Noir

A pretty light brick red wine with a spicy Burgundian nose. The rich, round Pinot Noir flavors are balanced with an elegant structure.

1984 White Riesling

A rich and forward nose of flowers and lemons leaps out of the glass. The flavors are very full and the slight sweetness of the wine is adequately balanced by an attractive crispness and dry finish. This wine has a nice fullness in the mouth which compliments its delicate flavors and long, lingering finish.

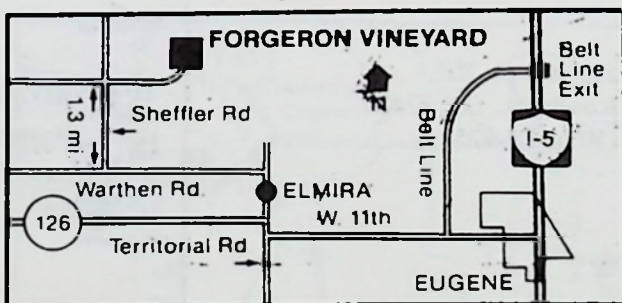

1984 Rose of Pinot Noir

An extremely fruity wine with a lovely salmon color. An off-dry finish with a hint of fresh strawberries. Estate produced.

Pinot Noir Blanc 1984

This is a medal winner at the 1985 Oregon State Fair. It has a beautiful color and nice bouquet with flowers to the nose. The light color is perfect to compliment the fine finish. A smooth and ideal wine for any occasion. Once tasted one sees why it won the award.

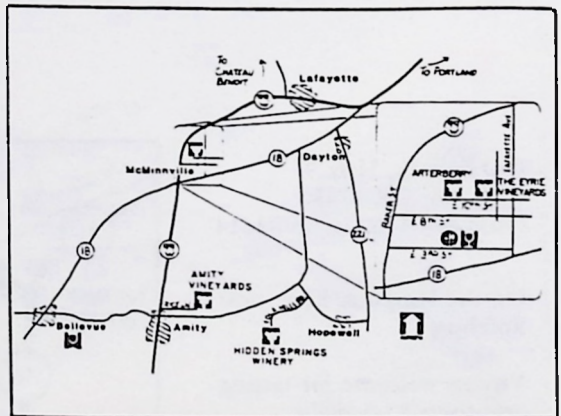

Pacific Sunset

A perfect addition to any occasion. This blush wine is a blend of several wines and tends to be a lighter wine than the Pinot Noir Blanc. The sugar comes across nicely. A new wine just released.

HILLCREST VINEYARD

Roseburg

1982 White Riesling

This wine is lighter in style than the 1981, much like the Kabinett Rieslings of Germany. The nose is delicate and floral with aromas of honey typical of a Mosel wine. The spritzzy flavors and crisp finish make it very refreshing and a pleasure to drink.

1982 Gewurztraminer

A light, dry, spicy wine, delicate enough to accompany food. It has a clean finish, with true varietal flavors and fragrance. Its overall impression is one of freshness. An excellent accompaniment to light curries, pepper-spiced foods, and chicken dishes. A perfect wine to serve with Chinese foods.

1984 Rose of Cabernet

A rich tasting, spicy, yet hauntingly delicate blush wine. A delicious wine which will be especially appreciated at picnics and social occasions.

MULHAUSEN VINEYARDS

Newberg

1982 Maresh Vineyards Pinot Noir

Premium grapes from recognized quality grower Jim Maresh's vineyards in the Red Hills of Dundee, OR. were purchased to make this Pinot Noir. Aged for 9 months in French Allier and Limousin barrels, the wine is supple, with black cherry, clove, and cinnamon flavors. Fermented dry, this Pinot is drinking pleasantly now and will continue to improve with age. Excellent with lamb, duck, beef, and other favorite meat and game dishes!

Bronze Medal, 1985 San Francisco Wine Exposition

1982 Oregon White Riesling

The drier of our two White Rieslings, this delightfully accompanies food. Try it with Dungeness Crab, Chinook Salmon, or Fettucini Alfredo! A lively wine with a floral nose, green apple flavors, and a crisp finish.

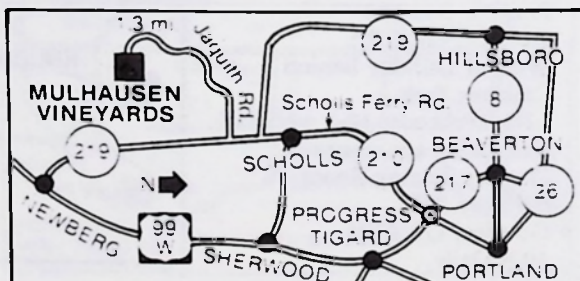

Silver Medal, 1984 Seattle Enological Society Tasting

Non-vintage Oregon Vin Blanc

Our answer to an Oregon White Table Wine is a skillful blend of White Reisling, Pinot Noir Blanc, and Chardonnay. Plenty of fresh fruit flavors and light copper in color, this medium dry wine drinks easily as an aperitif or with a wide range of foods.

OAK KNOLL WINERY Hillsboro

Oak Knoll Oregon Loganberry Wine

Governor's Trophy Winner at this year's Oregon State Fair and the only fruit and berry wine to win a Gold Medal. This wine is rich and tangy, with just enough sweetness to balance its natural tart flavor.

Oak Knoll 1983 Oregon White Riesling

This wine has been created in an off-dry style and has a pleasant, fragrant aroma of apples and pears which leads into the crisp fruit flavor. A tart and refreshing finish especially suited to poultry dishes.

Oak Knoll 1983 Oregon Pinot Noir

An aromatic wine with spicy cherry and grapey fruit in the nose. On the palate, a rich black cherry fruit, peppery and tasting of toasted oak. Will definitely improve with bottle age.

Oak Knoll American Niagara

A unique, slightly sweet wine with the distinctive aroma and flavor of fresh grapes. A native American (Labrusca) grape variety.

PONZI VINEYARDS

Beaverton

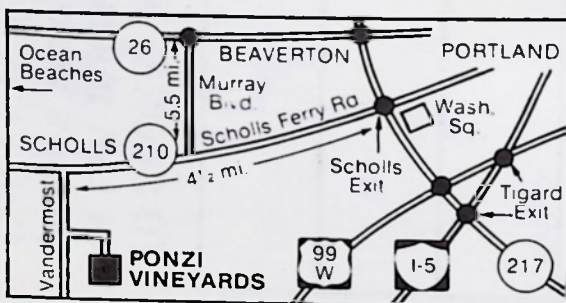

1984 White Riesling

A truly dry Riesling vinified to go with, rather than before or after, food. A long, cool, complete fermentation produced the desired dryness as well as typical aroma, highly characteristic Riesling flavor and most important, the lack of bitterness that is so often a feature of dry Reisling. This wine is a perfect accompaniment to Oregon Dungeness crab; in the absence of that delicacy, the dry Reisling will successfully compliment a wide range of foods requiring crispness and pleasant acid level without overbearing floralness.

ROGUE RIVER VINEYARDS, LTD.

Grants Pass

1984 Pinot Noir Blanc

Semi-dry, clean with a delicate fruitiness reminiscent of raspberries.

1984 Cabernet Sauvignon Blanc

Smooth and fruity, a full-bodied blush wine with pronounced Cabernet characteristics.

1983 Chardonnay

Crisp, fresh, distinctively varietal with a hint of French Oak.

1983 Cabernet Sauvignon

Dark red, full and rich but not overpowering. Slight peppery flavor. Will age well.

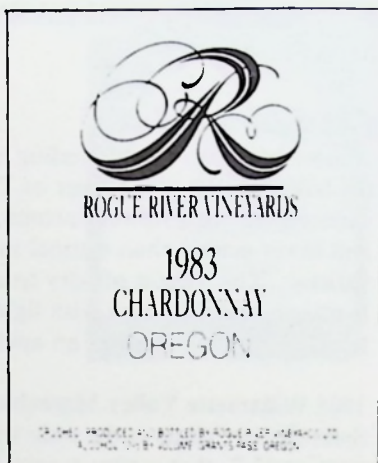

1984 Merlot Blanc

Silky and glycerine-like texture and body. Subtle fruit, a light and delicate wine.

LUMIERE VINEYARDS Apri Blanc

A unique concept in white dinner wines. Bouquet of fresh apricots. Light, fruity and velvety body in a chablis style. Well-balanced and lingering finish. A favorite.

Notes:

SERENDIPITY CELLARS WINERY Monmouth

1984 Muller-Thurgau

A cross between White Riesling and Sylvaner in the late 1880s by Dr. Muller of Thurgau, this variety features a flowery aroma, subtle flavors and lower acidity than normal in a German varietal. The wine is off-dry to emphasize its fruitiness and goes well with light foods and fruit, or can be served as an aperitif.

1984 Willamette Valley Marechal Foch

Serendipity Cellars is the only winery in the western U.S. that makes a wine from this French hybrid grape named in honor of the French hero of World War I: Field Marshal Ferdinand Foch. Intensely deep in color — quite likely the darkest red wine you have ever seen. Rich and fruity with remarkable complexity for a wine as young as this one; quite mellow, round and smooth without the hardness or tannic harshness often present in a hearty young red. Ready to drink now but could benefit from further aging. Goes well with red meats, particularly with a good steak.

1982 Polk County Pinot Noir

The classic pattern of mellow fruitiness and multi-layered complexity of Oregon's Burgundy-style Pinot Noirs. It has a deep, ruby red color, an enticing bouquet that combines nuances of the fruit and subtle hints of oak, and a deep, rich flavor. This wine has undergone a malolactic fermentation, thus it is soft, mellow and ready to stand up to rich sauces, red meats or any other full-flavored dish. Will age well while still being quite drinkable now.
